Subject: Donation of John Deere Gator

Dear Friends of Lake Wissota State Park:

On behalf of the Wisconsin Department of Natural Resources, I want to again thank the Friends of Lake Wissota State Park for your earlier donation of a John Deere Gator UTV valued at the time at \$11,796.79. I understand that circumstances delayed the actual purchase of the UTV, causing the final purchase price to increase by \$1,008.97 and making the total value \$12,805.76. Thank you for your generous donation of this additional amount. This equipment will allow staff at Lake Wissota State Park to continue to provide groomed cross country ski trails and to further assist maintenance operations in the park, year around.

Thanks to organizations like yours, the Wisconsin State Park System is able to offer a variety of recreational and educational opportunities to our visitors. Thank you again for your generous support.

Sincerely,

Dan Schuller
Director, Bureau of Parks and Recreation
