BE A FRIEND

This is an opportunity to join a group with an interest in nature and recreation. Lake Wissota State Park is located northeast of Chippewa Falls. The Park consists of 1,062 acres of forests and open prairie on a beautiful 6,300-acre manmade lake. Visitors enjoy scenic lake vistas and abundant plant and animal life. The park offers camping, hiking trails, boating, nature center, playgrounds and a 285-foot swimming beach.

The Friends of Lake Wissota State Park participates in and supports the maintenance and improvement of this important community resource. Membership helps sustain educational and recreational programs, while experiencing the wonders of nature throughout the seasons with others who enjoy the great outdoors.

A true conservationist is a man who knows that the world is not given by his fathers but borrowed from his children...
